Help Menu

This menu regroups all the actions **to get help** and **to help Ancestris.** It also provides information about the version of Ancestris currently installed.

Each of these actions is described below.

> When the action has its own description page - it is bold - click on it to get all the details about it.

Guided Tour

Displays the Guided Tour assistant. Ancestris will present to you the mostly used functions of Ancestris in a short and interactive sessions of about 20 screens.

All the documentation

Accesses this **User Guide**.

Pressing F1 will also open it, no matter where you are in Ancestris.

Find answers in the Forum

Accesses this **Forum**.

This takes you to the Forum web site.

Contact Ancestris Support Team

Sends us an email, automatically adding the log file. This file will allow us to assess your issue.

Make a donation to Ancestris

Explains why and how to make a donation to Ancestris.

Ancestris Website

Access the **Ancestris website**.

Visit the User world map

Accesses the **Users world map**.

This takes you to the User Map on the Ancestris web site.

About Ancestris

Provides information about the current version of Ancestris.
